DAVID O'SULLIVAN

Join David O'Sullivan every weekday afternoon when he rounds up all the stories of the day - from 702land and the world. If it's happened you'll know about it, if it's going to happen they'll be talking about it. As well as all the news, sport, business and traffic you need, David and the team make sure that the people in the news are also on the air.

TECHNOBYTE

Aki Anastasiou stops by David O'Sullivan's show to discuss the latest developments in the field of technology. Included is global IT news from the preceding week, virus warnings, interviews with experts in various sectors, the latest gadgets and technological advances. Click here for the latest Technobyte

METROWATCH

Talk Radio 702 has teamed up with the Star newspaper to bring you a weekly feature focussing on Johannesburg Metropolitan issues. Based on the Star's enormously successful MetroWatch, the show takes up issues affecting listeners and readers alike regarding problems with the Joburg City Council, and other local municipalities, and attempts to resolve them. Join David O'Sullivan and the Star's Anna Cox every Friday at 4:45pm for MetroWatch. e-mail: metrowatch@702.co.za

ISRAELI MINISTER'S VISIT

Israeli Housing and Construction Minister, Isaac Herzog, visited Protea South in Soweto on 8 September, to have a look at the 702/Habitat for Humanity project. 702 Station Manager Pheladi Gwangwa and David O'Sullivan took the Minister on a tour of two of the seven houses that were built in August. He said while Israel had similar housing projects, the idea of having corporate volunteers to do the actual building was something novel, and something he would like to see happening in his own country. See the photos...
